## **Initial Closing: Private Debt Partners Senior Opportunities Fund**

**Private Debt Partners is pleased to announce the first closing of its Senior Opportunities Fund.**

**The closing exceeded the interim target, and fundraising commitments from institutional and individual investors are on track to deliver the planned \$300 million within the coming months. Interested investors may subscribe to the Fund prior to its final closing.**

**This closing marks PDP's commencement of deploying capital on behalf of Limited Partners to high quality mid-market Canadian borrowers. The investment team is actively working to provide customized senior term financing solutions from a pipeline in excess of \$700 million.**

**Thank you to all PDP's stakeholders who share the goal of building a "best-of-class" private lender to improve capital access in Canada.**
